²² Article 3(2) amended by LGBl. 2024 no. 42.

- b) parties declare its provisions to expressly apply in a legal transaction over Tokens; or
- c) Tokens are used in legal transactions by a natural or legal person with place of residence or headquarters in Liechtenstein.

3) Articles 4 to 6 and 9 also apply correspondingly to Tokens that do not represent any rights.

Art. 4

Qualification of Tokens

If Liechtenstein Law is applicable according to article 3, the Token is considered to be an asset located in Liechtenstein.

Art. 5

Power of Disposal and Right of Disposal

- 1) The TT Key holder has the power of disposal over the Token.
- 2) It is further assumed that the person possessing the power of disposal over a Token also has the right to dispose of the Token. For every previous holder of the power of disposal, it is presumed that he was the person possessing the right of disposal at the time of his ownership.
- 3) If someone is the holder of a power of disposal without wanting to be the person possessing the right of disposal, he can rely on the person from whom he received the Token in good faith is the person possessing the right of disposal.

Art. 6

Disposal over Tokens

- 1) Disposal is:
 - a) the transfer of the right of disposal to the Token; or
 - b) the justification of a securities or a right of usufruct to a Token.
- 2) Disposal over a Token requires that:
 - a) the transfer of the Token is concluded in line with the regulations of the TT System, where a restricted in rem right to a Token can also be

ordered without transfer, if this is apparent to third parties and clearly establishes the time of ordering;

- b) the transferring party and the recipient party unanimously declare that they are transferring the right of disposal to the Token or that they wish to justify a restricted in rem right; and
- c) the transferring party is the person possessing the right of disposal pursuant to article 5; article 9 remains unaffected.

3) If a Token is disposed over without reason or a subsequent reason fails to exist, the revocation shall be accomplished in accordance with the provisions of the Enrichment Law (§§ 1431 et seq. ABGB).

Art. 7

Effects of Disposal

1) Disposal over the Token results in the disposal over the right represented by the Token.

2) If the legal effect under (1) does not come into force by law, the person obliged as a result of the disposal over the Token must ensure, through suitable measures, that:

- a) the disposal over a Token directly or indirectly results in the disposal over the represented right, and
- b) a competing disposal over the represented right is excluded.

3) The disposal over a Token is also legally binding in the event of enforcement proceedings against the transferor and effective vis-à-vis third parties, if the transfer:

- a) was activated in the TT system prior to the commencement of the legal proceedings, or
- b) was activated in the TT system after the initiation of the legal proceedings and was executed on the day of the proceeding's openings, provided that the accepting party proves that he was without knowledge of the proceedings openings or would have remained without knowledge upon the exercise of due diligence.

Art. 8

Legitimacy and exemption

- 1) The person possessing the right of disposal reported by the TT System is considered the lawful holder of the right represented in the Token in respect of the Obligor.
- 2) By payment, the Obligor is withdrawn from his obligation against the person who has the power of disposal as reported by the TT system, unless he knew, or should have known with due care, that he is not the lawful owner of the right.

Art. 9

Acquisition in Good Faith

Those who receive Tokens in good faith, free of charge, for the purpose of acquiring the right of disposal or a restricted in rem right is to be protected in his acquisition, even if the transferring party was not entitled to the disposal over the Token unless the recipient party had been aware of the lack of right of disposal or should have been aware of such upon the exercise of due diligence.

Art. 9a²³*Claim to compensation*

- 1) Anyone who suffers damage through the use of a Token because it does not meet the legal or technical requirements for the effective representation and transfer of rights via Tokens vis-à-vis third parties may demand compensation from the Tokenisation Service Provider who put that Token into circulation. The Tokenisation Service Provider shall be deemed liable if they do not prove that they had ensured the necessary legal and technical requirements for the effective representation and transfer of rights via Tokens vis-à-vis third parties.
- 2) Anyone who suffers damage through the use of a Token because the contractual enforcement of rights to property represented in the Token is not ensured can demand compensation from the Physical Validator who has assumed the guarantee for this Token. The Physical Validator shall be deemed liable if they cannot prove that they ensured contractual enforcement of rights to property represented in the Token.

²³ Article 9a inserted by LGBI, 2024 no. 42.

Art. 10

Cancellation of Tokens

- 1) If a TT Key is unaccounted for or a Token is otherwise not functional, the person who possessed the right of disposal at the time of the loss or when the Token became non-functional can apply for the Token to be cancelled in non-contentious proceedings.
- 2) For this purpose, the applicant must convince the court of their right of disposal and the loss of the TT Key or the non-functionality of the Token.
- 3) The respondent is the person obliged from the right represented in the Token.
- 4) The declaration that a Token is non-functional shall be published without delay in the Official Journal and at the discretion of the Court of Justice in any other appropriate manner.
- 5) The applicant may also assert their right without the Token upon cancellation or demand the generation of a new Token at their own expense.

III. Supervision of TT Service Providers**A. General**

Art. 11

Object and scope

- 1) This chapter governs the registration and supervision of TT Service Providers with headquarters or place of residence in Liechtenstein and their rights and obligations.
- 2) It does not apply to:²⁴
 - a) the State, municipalities or municipal associations or public companies when acting as authorities; and

4. TT Service Provider Register

Art. 23

Maintenance of the TT Service Provider Register

- 1) The FMA must maintain a publicly accessible register in which the following information must be entered:
 - a) the TT Service Providers registered in Liechtenstein, citing the date of registration;
 - b) the registered TT Services pursuant to articles 12 and 19a, citing the date of the registration of the TT Service in question;⁸⁰
 - c) the expiration or removal of the registration pursuant to articles 20 and 21.
- 2) The FMA must verify entries under (1) based on a notification pursuant to article 28 and update them immediately if necessary.⁸¹
- 3) The FMA must make the TT Service Provider Register available free of charge on its website. In addition, the FMA must grant any person access to the TT Service Provider Register at its physical office location, so long as technically feasible.

5. Exercising of business activity

Art. 24

Designation Protection

- 1) Designations that indicate activity as a TT Service Provider, may only be used in the company, in the designation of the business purpose and in the company's advertising, by registered TT Service Providers.
- 2) The government can regulate the details of the designation protection by means of an ordinance.

⁸⁰ Article 23(1) letter b amended by LGBI. 2024 no. 42.

⁸¹ Article 23(2) amended by LGBI. 2025 no. 113.

Art. 25

Safeguarding Requirements

1) Tokens or TT Keys that a TT Service Provider holds in custody or arranges to have held in custody on a fiduciary basis or in the name of the customer shall be regarded as third-party property in proceedings to secure rights, compulsory execution proceedings, and insolvency proceedings of the TT Service Provider and shall be segregated in favour of the customer, subject to all claims of the TT Service Provider against the customer.⁸²

2) The segregation referred to in (1) shall also be justified if the TT Service Provider holds Tokens or TT Keys of several customers in custody or arranges to have them held in custody without separation (collective custody), provided that:⁸³

- a) the TT Service Provider has contractually undertaken to keep the Tokens or TT Keys available for the customer at all times; and
- b) the TT Service Providers' records show the share to which each customer is entitled.

2a) If the TT Service Provider holds own portfolios of Tokens and TT Keys with a third party, without separation from the portfolios of its customers, the presumption shall apply that the Tokens and TT Keys are portfolios of the customers, which are segregated in accordance with (1).⁸⁴

3) Upon request, during ongoing business operations, a TT Service Provider must present proof to the FMA showing that he has taken sufficient measures to comply with the requirements specified in (1). If the evidence is not provided or if the measures are insufficient, the FMA shall request that TT Service Provider furnish the necessary evidence or take suitable and necessary precautions to remedy the existing defects. This must be carried out in accordance with an appropriate deadline set by the FMA. If the supporting documents are not submitted or precautions are not taken at all, or within the time frame stipulated by the FMA, the FMA may take further measures, in particular, those set out in article 43(5).

4) In the event of execution against the user's TT Service Provider, the user may raise an objection under public law (article 20 of the Execution Act) if the execution relates to the Tokens secured in

accordance with (1) or the TT Keys secured in accordance with (2). Under the same conditions, in the event of bankruptcy proceedings in respect of the assets of the TT Service Provider, the user has the right to segregation (article 41 of the Insolvency Act).⁸⁵

Art. 26

Storage of Records and Supporting Documents

- 1) TT Service Providers must keep relevant records and supporting documents for supervisory purposes for at least ten years.
- 2) More specific legal obligations remain unaffected.

Art. 27

Outsourcing Functions

- 1) The outsourcing of important operational functions is permitted if:
 - a) the quality of the internal control of the TT Service Provider is not significantly impacted;
 - b) the obligations of the TT Service Provider remain unchanged according to this Act; and
 - c) the registration requirements according to this Act are not undermined.
- 2) In this context, an operational function is particularly important if it, only partially fulfilled or neglected, would significantly affect the TT Service Provider's ongoing compliance with its obligations under this Act or its financial performance.
- 3) A TT Service Provider outsourcing functions must take adequate precautions to ensure that the requirements of this Act are met.
- 4) Special statutory regulations on the outsourcing of functions remain reserved.

⁸⁵ Article 25(4) amended by LGBl. 2020 no. 414.

Art. 28⁸⁶*Reporting obligations*

- 1) TT Service Providers shall inform the FMA immediately and before public announcement of:
 - a) any changes with regard to the registration requirements;
 - b) the cessation of business activities;
 - c) if the TT Service Provider is a natural person, the loss of capacity to act or the death of the TT Service Provider;
 - d) the existence of another reason for expiration or removal pursuant to articles 20 or 21.
- 2) TT Service Providers must inform the FMA of all information about its business activity required to exercise supervision.
- 3) The government may regulate the reporting obligations, in particular the content and deadlines, in more detail by means of an ordinance.

Art. 29⁸⁷

 - b) the offer is geared towards fewer than 150 users;
 - c) the sale price of the total issue does not exceed 5 million Francs or the corresponding equivalent in another currency; or
 - d) there is already an obligation to publish qualified information about the public offering of Tokens according to other laws.
- 2) No additional basic information needs to be published for any later public resale of Tokens if:
 - a) the basic information pursuant to article 30 has already been published; and
 - b) the issuer or the person responsible for preparing the basic information has approved its use in a written agreement.

Art. 32

Form and language of the basic information

- 1) Basic information must be prepared and published in a way that is easy to analyse and understand.
- 2) Basic information can be prepared and published in one or several documents.
- 3) If basic information consists of several documents, then the Token Issuer must prepare and publish a brief, easily understandable summary with information about the Token Issuer and the Tokens to be issued.
- 4) Basic information must be prepared and published in German or English.

Art. 33

Content of the basic information

- 1) Basic information must in particular include the following:

- a) information about the Tokens to be issued and associated rights;
- b) the name of the TT system used;
- c) a description of the purpose and nature of the legal transaction underlying the Token Issuance;
- d) a description of the purchase and transfer conditions for the Tokens;
- e) information about the risks associated with purchasing the Tokens;
- f) for the issuance of Tokens representing rights to property:⁸⁸
 - 1. evidence, provided especially by a registered Physical Validator, regarding ownership of the property; and
 - 2. a confirmation, provided especially by a registered Physical Validator, that the rights registered in the issued Tokens are also enforceable in line with the basic information.

2) The basic information, moreover, includes a summary, which contains brief and generally understandable essential information in the language, in which the basic information was originally prepared. The summary must also include warnings that:

- a) it is to be understood as an overview of the subsequent basic information;
- b) the recipient party must read all of the basic information before purchasing; and
- c) persons who have assumed responsibility for the summary, including its translation, or who prepare the summary or translation can only however be made liable in the event that the summary is misleading, incorrect or inconsistent if read together with other parts of the basic information.

3) The basic information must include the names and roles (and, for legal persons, the company and headquarters) of those who are responsible for the content. The basic information must include a declaration by these persons that the information is correct to the best of their knowledge and that no significant information has been left out.

4) The basic information must also include the names and roles (and, for legal persons, the company and headquarters) of those who are responsible for the technical and legal functionality of the Token.

5) The Token Issuer must put an issuance date on the basic information and ensure it cannot be amended through suitable measures.

⁸⁸ Article 33(1) letter f amended by LGBl. 2024 no. 42.

6) The government may regulate the content of the basic information in more detail by means of an ordinance.

Art. 34

Addendum to the basic information

1) Every new material fact or every material error or inaccuracy with regard to the basic information that is determined after the basic information is first published must be named in an addendum to the basic information.

2) In addition, the summary and any translations of the summary must be supplemented by the information included in the addendum.

3) The government may regulate the addendum to the basic information in more detail by means of an ordinance.

Art. 35

Liability

1) If any facts in the basic information that is to be prepared according to this Act are incorrect or incomplete, or if the basic information in accordance with these provisions was not prepared, the persons responsible under articles 33(3) and (4) shall be liable to every user for damages that arise as a result, provided they do not demonstrate that they took the due care of a prudent businessman when preparing the basic information. Only damage directly suffered is considered to be damage, not also loss of profit.

2) The persons named in (1) shall also be liable for their vicarious agents and for the persons they employ, provided they do not demonstrate that they took the due care according to the circumstances in their selection, instruction and supervision.

3) Liability under (1) and (2) may be neither excluded nor restricted in advance.⁸⁹

4) Liability shall only be borne for information in the summary including its translations if they are misleading, incorrect or inconsistent in connection with other parts of the basic information or do not convey

⁸⁹ Article 35(3) amended by LGBl. 2024 no. 42.

all material information. The summary must include a clear warning in this respect.

Art. 36

Severability

If several persons are liable to pay compensation for a damage, each of them shall be held jointly and severally liable with the others so long as the damage is personally attributable to their own negligence and circumstances.

Art. 37

Jurisdiction

The Court of Justice shall have jurisdiction for claims of the transferee of Token regarding the legal relationship with the Token Issuer with headquarters within the country.

B^{bis}. Token Issuers not subject to the registration obligation⁹⁰

Art. 38a⁹¹

Obligations

1) Token Issuers that offer Tokens to the public in their own name are not subject to the registration obligation set out in articles 12 et seq.

2) Token Issuers that are not subject to the registration obligation must comply with the provisions of articles 30 to 38 when offering Tokens to the public.

⁹¹ Article 38a inserted by LGBl. 2024 no. 42.

Art. 38

Statute of limitations

Any claim for damages against the persons who are responsible in accordance with the above provisions will be barred by the statute of limitations one year from the date on which the cause of action accrues, the cause of action accruing on the date the injured party is both aware of the damage and the identity of the party liable for the damage, expiring regardless, ten years from the date of the harmful act.

C. Supervision

Art. 39

Jurisdiction

The Financial Markets Authority (FMA) is responsible for the supervision of TT Service Providers and the execution of the associated statutory provisions.

Art. 40

Official secrecy

1) The FMA, any other persons consulted by these authorities and bodies and all representatives of public authorities shall be subject to official secrecy without any time limits with respect to the confidential information that they gain knowledge of in the course of their official activities.

2) Confidential information within the scope (1) may be transmitted in accordance with this Act or special statutory provisions.

3) If bankruptcy proceedings have been opened or liquidation proceedings have been initiated in respect of a TT Service Provider by the decision of a court, confidential information which does not relate to third parties may be disclosed in civil law proceedings, provided this is necessary for the proceedings concerned.⁹²

4) Without prejudice to cases covered by the requirements of criminal law, the FMA, all other administrative authorities, courts and

⁹² Article 40(3) amended by LGBI. 2020 no. 414.

bodies, natural persons or legal entities may only use confidential information that they receive in accordance with this Act only for purposes of fulfilling their responsibilities and tasks within the scope of this Act or for purposes for which the information was given, and/or in the case of administrative and judicial proceedings that specifically relate to the fulfilment of these tasks, provided this is required to do so. If the FMA, another administrative authority, court, body, or a person transmitting information, gives its consent; then the authority receiving the information may use it for other financial market supervision purposes.

Art. 41

Cooperation Between National Authorities and Agencies

The FMA works with other competent national authorities and agencies provided this is required to fulfil its duties under this Act.

Art. 42

Processing and transferring personal data

- 1) The FMA and other competent national authorities and agencies may process personal data, including personal data regarding criminal sentences and offences of the persons subject to this Act, or have such processed, if this is necessary in order to fulfil its duties under this Act.
- 2) They may send personal data to each other or other competent authorities in other EEC member states if this is necessary in order to fulfil its duties under this Act.
- 3) They may send personal data to the competent authorities of third-party states if the data protection requirements under chapter V of Regulation (EU) 2016/679 have been met in addition to the requirements under (2).

Art. 43

FMA duties and authorisations

- 1) In the course of its supervision, the FMA monitors compliance with the provisions of this Act and its associated ordinances.
- 2) The FMA is responsible for the following duties in particular:

- a) registering TT Service Providers and the removal of registrations;
- b) issuing information about the application of this Act or another Act listed in article 5(1) FMAG (Financial Markets Supervision Act) for clearly determined facts in connection with Trustworthy Technology;
- c) maintaining the TT Service Provider Register in accordance with article 23;
- d) the prosecution of contraventions in accordance with article 47(2).

3) The FMA has all necessary authority to perform its duties and may, in particular:

- a) require TT Service Providers to provide all information and documents required for the execution of this Act;
- b) order or carry out extraordinary audits;
- c) make decisions and ordinances;
- d) issue legally binding decisions and rulings;
- e) carry out on-site inspections of TT Service Providers; and
- f) correct false information that has been published by naming the TT Service Provider involve and issue warnings;
- g) temporarily prohibit the exercising of a TT Service.

4) If the FMA becomes aware of violations of this Act or of other deficits, it shall take the measures necessary to bring about a lawful state of affairs and to eliminate the deficits.

5) The FMA may assign an expert as its observer to a TT Service Provider if the interests of users or creditors appear to be acutely endangered by mismanagement. The external audit office appointed may be entrusted with this responsibility. The observer shall monitor the activities of the governing bodies, in particular the implementation of the measures ordered, and shall report to the FMA on an ongoing basis. The observer shall enjoy the unrestricted right to inspect the business activities and the books and files of the TT Service Provider. The cost of the supervisor must be borne by the TT Service Provider, insofar as a reasonable relationship exists between the work associated with the activity and its expenses.

6) If there is reason to assume that a person is rendering TT Services without authorisation pursuant to this Act, the FMA may demand information and documents from the person concerned if this person is a subordinate person. In urgent cases, the FMA may order the immediate

cessation of the activity without prior warning and without imposing a deadline.

7) The costs incurred due to misconduct shall be borne by those responsible in accordance with article 26 of the Financial Market Supervision Act.

8) The government may regulate the details of the tasks and powers of the FMA by means of an ordinance.

Art. 44

Supervision taxes and fees

The Supervision taxes and fees are based on the Financial Market Supervision Act.

D. Proceedings and Legal Protection⁹³

Art. 45

Proceedings

To the extent not otherwise specified in this Act, the provisions of the National Administration Act (LVG) shall apply to proceedings.

Art. 46

Legal remedy

1) Decisions and decrees of the FMA may be appealed within 14 days of service to the FMA Complaints Commission.

2) Decisions and decrees of the FMA Complaints Commission may be appealed within 14 days of service to the Administrative Court.

⁹³ Title preceding article 45 amended by LGBI. 2024 no. 42.

Art. 46a⁹⁴*Extrajudicial conciliation board*

- 1) By ordinance, the government shall appoint a conciliation board to settle disputes between customers and TT Service Providers concerning the TT Services provided.
- 2) The conciliation board shall be responsible for mediating as appropriate in disputes between the parties and in this way for reaching a settlement between the parties.
- 3) If no settlement between the parties can be reached, then the parties shall be referred to the ordinary legal process.
- 4) The government may regulate the details by means of ordinance, especially concerning the organisational structure, the composition, and the procedure.

E. Penal Provisions

Art. 47

Misdemeanours and infractions

- 1) The following persons shall be penalised by the Court of Justice for misdemeanours with up to one year imprisonment or a monetary penalty of up to 360 daily rates:
 - a) those who render TT Services requiring registration contrary to article 12 or article 19a;⁹⁵
 - b) Repealed⁹⁶
 - c) those whose registration as a TT Service Provider expired due to false information or other illegal matters; or
 - d) those who systematically violate their legal obligations in a serious manner as a TT Service Provider.
- 1a) The Court of Justice shall penalise for misdemeanours with up to three months imprisonment or a monetary penalty of up to 180 daily rates any person who intentionally damages, removes, manipulates, or

- a) are authorised to outwardly represent the legal person;
- b) exercise supervisory powers in a management position; or
- c) otherwise exercise significant influence over the management of the legal person.

4) For infractions under (2) committed by the employees of the legal person, even if not culpably, the legal person is also responsible if the infraction is enabled or significantly facilitated as a result of the persons named in (3) failing to take the necessary and appropriate measures to prevent such offences.

5) The responsibility of the legal person for the offence and the punishability of the persons named in (3) or the employees named in (4) due to the same offence are not mutually exclusive. The FMA may refrain from pursuing a natural person if a fine has already been imposed on a legal person for the same violation and there are no other circumstances that oppose refraining from pursuing the natural person.

6) In the event of negligent conduct, the upper penalty limits in (1) and (2) above shall be halved.

Art. 48

Responsibility

Where violations are committed in the business operations of a legal person, the penal provisions shall apply to the members of management and other natural persons who acted or should have acted on its behalf. With all persons, including the legal entity, shall, however, be jointly and severally liable for monetary penalties, fines and costs.

Art. 49

Announcing sanctions; binding effect of convictions

1) The FMA may announce the imposition of lawful punishments at the expense of the party concerned if this fulfils the purpose of this Act and is proportionate.

2) A conviction under this Act shall not be binding for the civil court judge with regard to the assessment of guilt, unlawfulness and determination of damage.

IV. Transitional and final provisions

Art. 50

Transitional provisions

- 1) Persons who render a TT Service requiring registration pursuant to article 12 at the time that this Act comes into force undertake:
 - (a) to carry out their business in accordance with (25) to (38) in doing so, they may continue to use previous designations according to (24) until the expiry of the period according to letter b without registration; and
 - (b) to apply for the entry into the TT Service Provider Register to the FMA within a period of twelve months after this Act comes into force; otherwise, the right to render TT Services under this Act shall expire.
- 2) The provisions regarding the basis for Tokens under civil law according to chapter II may also be applied by the parties for Tokens that were generated before this Act came into force according to article 3(2)(b).
- 3) The provisions on the basic information for Token Issuance according to articles 30 to 28 shall apply to Tokens that are publicly offered for the first time after this Act comes into force.

Art. 51

II. Transitional provisions

1) TT Key Depositories, TT Token Depositories, and TT Protectors registered at the time of entry into force¹⁰⁴ of this Act do not need to register again and shall be deemed to continue to operate as TT Depositories as referred to in article 2(1) letter n, provided they provide TT Services registered under the law hitherto in force. Designations to that effect in accordance with article 24 must be adjusted within three months of entry into force of this Act. If they intend to provide TT Services within the scope of article 2(1) letter n for which they were not registered under the law hitherto in force, they must provide the FMA in advance with evidence that they meet the requirements set out in article 17(1) letter d. If the activity as a TT Depositary is no longer continued, the registration must be waived.

2) Token Generators registered at the time of the entry into force of this Act which:

a) carry out the activity of a Tokenisation Service Provider as referred to in article 2(1) letter m may continue this activity and use the designation "Tokenisation Service Provider", provided that they:

104 Entry into force: 1 February 2024.

1. meet the special requirements for Tokenisation Service Providers as set out in article 17(1) letter b;
2. notify the FMA of their activities within one month of entry into force of this Act; and
3. have completed the registration procedure with the FMA within 18 months of entry into force of this Act and are entered in the TT Service Provider Register;

b) are still active as Token Generators may continue this activity and do not need to register again; if the activity as a Token Generator is no longer continued, the registration must be waived.

3) TT Key Depositories, TT Token Depositories, and TT Protectors registered at the time of entry into force of this Act which carry out the activity of a Token Lending Undertaking as referred to in article 2(1) letter v may continue this activity and use the designation "Token Lending Undertaking", provided that they:

- a) meet the special requirements for Token Lending Undertakings as set out in article 16(1) letter c or article 16(4) and article 17(1) letter f nos. 1 and 3 to 6 within six months of entry into force of this Act and as set out in article 17(1) letter f nos. 2 and 7 from entry into force of this Act;
- b) notify the FMA of their activities within one month of entry into force of this Act; and
- c) have completed the registration procedure with the FMA within 18 months of entry into force of this Act and are entered in the TT Service Provider Register.

4) TT Service Providers registered at the time of entry into force of this Act which:

- a) carry out the activity of a TT Trading Platform Operator as referred to in article 2(1) letter w may continue this activity and use the designation "TT Trading Platform Operator", provided that they:
 1. meet the special requirements for TT Trading Platform Operators as set out in article 16(1) letter f and article 17(1) letter l within six months of entry into force of this Act;
 2. notify the FMA of their activities within one month of entry into force of this Act; and
 3. have completed the registration procedure with the FMA within 18 months of entry into force of this Act and are entered in the TT Service Provider Register;

b) are still active as TT Service Providers in another form may continue this activity and do not need to register again; if the activity as a TT Service Provider is no longer continued in another form, the registration must be waived.

5) Persons who, at the time of entry into force of this Act, carry out an activity that did not previously require registration, but which is subject to registration under article 12 after entry into force of this Act, are obliged, subject to (6), to:

- carry out their business activities in accordance with articles 25 to 28; they may continue to use previous designations as referred to in article 24 until the expiry of the period referred to in letter b, even without registration; and
- apply in writing to the FMA for entry in the TT Service Provider Register within a period of six months after entry into force of this Act; otherwise the authorisation to provide TT Services under this Act shall expire.

6) Service providers as referred to in article 19a which, at the time of entry into force of this Act, carry out an activity that did not previously require registration, but which is subject to registration under Article 19a after entry into force of this Act, are obliged to submit the relevant information and documents as referred to in Article 19b to the FMA within six months of entry into force of this Act. The deadline set out in article 19b(1) does not apply.
